Provided that an insurer may grant to an officer or employee, on compassionate grounds, an unsecured loan or advance not exceeding one hundred thousand shillings subject to the condition that no further loan or advance shall, at any time, be granted if any previous loan or advance has not been fully repaid.

(3) Any loan, advance, credit facility, financial guarantee or other liability granted or permitted to be outstanding in contravention of the provisions of this section and existing on the appointed date shall be notified by the insurer to the Commissioner within thirty days of that date and shall, notwithstanding any contract to the contrary, be repaid or discharged within one year from that date.

(4) Where an event occurs giving rise to circumstances the existence of which at the time of the grant of a subsisting loan, advance, credit facility, financial guarantee or other liability would have made that grant a contravention of this section, the loan, advance, credit facility, financial guarantee or other liability shall, notwithstanding anything in the contract to the contrary, be repaid or discharged within three months from the occurrence of that event.
In case of default in complying with the provisions of subsection (3) or subsection (4), a director, officer or employee who may be concerned shall, without prejudice to any other penalty which he may incur, cease to hold office under, be employed by or act for, the insurer granting the loan, advance, credit facility, financial guarantee or other liability on the expiry of the period of one year or three months, as the case may be.

A person who contravenes any of the provisions of this section shall be guilty of an offence and liable to a fine not exceeding two hundred thousand shillings.

**Premium rates of life insurers.**

An insurer carrying on long term insurance business shall not issue, after the expiry of three months from the appointed date, any policy of insurance unless the rate of premium chargeable under the policy is a rate which has been approved by an actuary as suitable for the class of policies to which that policy belongs and that rate and the actuarial bases therefor together with the actuary’s certificate have been filed by the Commissioner at least thirty days before giving effect to the rate.

The Commissioner may require the insurer to obtain, and to furnish him, within such a time as he may specify, with a report by an actuary as to the suitability of the rate of premium chargeable under any class of policy issued by the insurer and, if the actuary considers that the rate is not suitable, a report as to the rate of premium which the actuary approves as suitable in respect of that class of policy.

Where a requirement is made under subsection (2) in respect of the rate of premium chargeable under any class of policy the insurer shall not issue, after the expiry of the period specified by the Commissioner, any policy of that class until the insurer has in accordance with the requirement obtained the approval of the actuary to the rate of premium, and notified the Commissioner that that approval has been obtained.

An actuary in approving a rate of premium in respect of a class of policy under this section shall have regard to the maximum rate of commission or rebate proposed to be paid or allowed to any person in respect of that class of policy.

Where a rate of premium is approved by an actuary in respect of a class of policy, the insurer shall not, except with the approval of the Commissioner, pay or allow in respect of any policy of that class a commission or rebate at a greater rate than –

(2) Where a schedule or manual of rates of premium filed under subsection (1) is proposed to be altered or revised, the insurer shall file with the Commissioner the details of and the reasons for, the alterations or the revised schedule or manual at least sixty days before giving effect to the alterations or revision.

(3) If an insurer carrying on general insurance business issues any insurance cover outside the scope of the schedule or manual of rates of premium filed with the Commissioner or considers it necessary, while using the rate contained in the schedule or manual as the basing point, to deviate therefrom to take account of the proponent’s or policy holder’s past and anticipated loss experience, the physical characteristics of the subject matter of the insurance, the nature of the exposure and other relevant factors, the insurer shall file with the Commissioner, within a period of thirty days full details of the rate charged.

(4) The Commissioner may, at any time, require an insurer to furnish him with statistical data and other information on the basis of which any rate or schedule or manual of rates filed with the Commissioner has been computed.

(5) The Commissioner may, at any time, require an insurer to modify or revise, within such time as he may specify, the schedule or manual of rates filed with the Commissioner or the practice of deviating therefrom or the practice of rating risks outside the scope of the schedule or manual and the insurer shall carry out the required modification or
revision within the stipulated time and get them approved by the Commissioner.

(6) A person who contravenes any of the provisions of this section shall be guilty of an offence and liable to a fine not exceeding fifty thousand shillings, and if the offence is a continuing one to a further fine of two thousand shillings for every day during which the offence continues.

(b) Not renew the temporary cover or issue any annual policy in respect of the motor vehicle, unless the new owner provides proof of registration of the motor vehicle in his name by the Registrar of Motor Vehicles.

77. **Defaults of insurer, broker or agent not to invalidate policy**

Subject to this Act, failure on the part of an insurer, broker or agent to comply with any provision of this Act shall not invalidate any policy issued by an insurer.

78. **Avoidance of contracts for unlimited amounts.**

A contract of insurance entered into after the appointed date shall be void if-

(a) it is a contract under which the insurer undertakes a liability the amount or maximum amount of which is uncertain at the time when the contract is entered into; and
it is not a contract of insurance or a contract of a class or description exempted by regulations or by the Commissioner in writing from the operation of this section.

79. Amounts and values in policies to be expressed in Kenya currency.

(1) The sum insured, the premium and every other sum of money mentioned in a policy of insurance issued or renewed on or after the appointed date shall be stated in the currency of Kenya unless the parties to the policy have, at or subsequent to the time of issue of the policy, expressly otherwise agreed to, and where the policy was issued or renewed on or after the appointed date, the Commissioner has in writing approved, the statement of any sum in some other currency:

Provided that, notwithstanding the provisions of this subsection, an insurer may issue a policy of insurance, or a reinsurer may enter into a reinsurance contract in respect of –

(a) aviation insurance; or

(b) marine insurance; or

(c) engineering insurance; or

(d) any class or classes declared by the Minister by notice in the Gazette,

in which the sum insured, the premium and every other sum of money mentioned in the policy of insurance is stated in currencies other than the currency of Kenya.

(2) If the insurer and policy holder have agreed, and, in the case of a policy issued on or after the appointed date, the Commissioner has approved, that the sum insured, the premium or other sum of money mentioned in a policy of insurance shall be expressed in a currency other than the currency of Kenya, the fact that the parties have agreed and the fact that the approval of the Commissioner has been obtained and the currency adopted shall be stated in or endorsed on the policy in distinct terms and in printed or typed letters no smaller than and as legible as the letters of the other provisions of the policy.
The continued payment in respect of a policy relating to long term insurance business shall not constitute a renewal for the purposes of subsection(1).

**80. Proposal and policy documents not to be misleading**

(1) A form of proposal for insurance or a policy or an endorsement or any form of written matter used by an insurer describing the terms or conditions of, or the benefits to be or likely to be derived from, a policy of insurance shall not contain anything in accurate or incomplete or likely to mislead a proponent or policy.

(2) If the Commissioner is of opinion that an insurer has contravened the provisions of subsection (1), he may, after giving the insurer an opportunity of making representations, notify the insurer in writing that he objects to the form.

(3) An insurer shall not accept a proposal or issue any policy or written matter if the proposal, policy or written matter is in a form to which the Commissioner has objected under this section to the extent that the objection has not been varied or set aside as a result of an appeal under section 173.

(4) An insurer who contravenes the provisions of subsection (3) shall be guilty of an offence and liable to a fine not exceeding five thousand shillings.

**81. Incorrect statements in proposals**

(1) Notwithstanding anything contained in or incorporated in a contract of life assurance issued before, on or after the appointed date, a policy of life assurance shall not be avoided by reason only of an incorrect statement made in a proposal or other document on the faith of which the policy was issued or reinstated by the insurer, unless the statement was material to the risk of the insurer and-

(a) was made in the knowledge that it was untrue or with no reasonable belief that it was true; or

(b) was made within the period of three years immediately preceding the date on which the policy is sought to be avoided or the date of the death of the life insured, whichever is the earlier.

(2) Where an agent or servant of an insurer writes or fills in, or has before the appointed date written or filled in, any particulars in a proposal for a policy of insurance with the insurer, then, notwithstanding any law and any agreement to the contrary between the proposer and the insurer, a policy issued in pursuance of the proposal shall not be avoided by reason only of an incorrect or untrue statement contained in the particulars so written or filled in, unless the incorrect or untrue statement was in fact
made by the proposer to the agent or servant for the purposes of the proposal; and the burden of proving that the statement was so made shall lie upon the insurer.

82. **Effect of suicide or capital punishment on policy**

A policy of life assurance shall not be avoided merely on the ground that the person whose life is assured died by his own hand or act, sane or insane, or suffered capital punishment, if, upon the true construction of the policy, the insurer has thereby agreed to pay the sum assured in the events that have happened.

83. **Particulars as to age of proposer for life assurance**

A form of proposal shall be framed so as to require a person making a proposal for a policy of life assurance to specify the place and date of birth of the person whose life is proposed to be assured, and the person making the proposal shall supply those particulars to the best of his knowledge and belief.

84. **Notice regarding proof of age**

Where an insurer issues a policy of life assurance which provides the proof of age of the life assured is a condition precedent to the payment of the sum assured, the insurer shall, unless the age of the life assured has already been admitted by it, issue with the policy a printed notice stating that proof of age of the life assured may be required prior to the payment of the sum assured.

85. **Procedure where insurer declines to accept proof of age**

(1) If an insurer declines to accept the proof of age tendered in respect of a policy of life assurance, whether issued before, on or after the appointed date, the policy holder may apply to the Commissioner for an order directing the insurer to accept the proof tendered.

(2) On any such application, the Commissioner may, after giving the insurer a reasonable opportunity of being heard, make such order in relation to the application as he thinks just.

(3) An order under this section shall be binding on the insurer and shall be complied with on his part.

86. **Misstatement of age**

(1) A policy of life assurance shall not be avoided by reason only of a misstatement of the age of the life assured.
Where the true age as shown by the proofs is greater than that on which the policy was based, the insurer may vary the sum assured by, and the bonuses (if any) allotted to, the policy so that, as varied they bear the same proportion to the sum assured by, and the bonuses (if any) allotted to, the policy before variation as the amount of the premiums that have become payable under the policy as issued bears to the amount of the premiums that would become payable if the policy has been based on the true age.

Where the true age, as shown by the proofs, is less than that on which the policy was based, the insurer shall either-

(a) vary the sum assured by, and the bonuses (if any) allotted to, the policy before variation as the amount of the premiums that have become payable under the policy as issued bears to the amount of the premiums that would have become payable if the policy had been based on the true age; or

(b) reduce, as from the date of issue of the policy, the premium payable to the amount that would have been payable if the policy had been based on the true age and repay to the policy owner the amount of over-payments of premiums less any amount that has been paid as the cash value of bonuses in excess of the cash value that would have been paid if the policy had been based on the true age.

Notwithstanding subsection (2) and (3), where the correct age is found to be beyond the limits within which the insurer, according to his published prospectus, issues the type of policies in question, the policy shall be void ab initio and the insurer shall refund to the insured all the premiums received on the policy after deducting the commission payments and expenses incurred by him on the policy; but nothing in this subsection shall apply to annuities and other policies where the insured has already received any payment under the policy.

87. Objection to and return of life policy

If within twenty eight days after the delivery of an industrial life assurance policy or an ordinary life assurance policy, where the sum assured is ten thousand shillings or less, by an insurer to the policy holder, or, at the place of abode of the policy holder, to some other person who is an inmate of that place apparently not less than eighteen years of age and by whom any premium in respect of the policy is paid on behalf of the policy holder, the policy holder returns the policy to the insurer with an objection in writing to any term or condition of the policy or a statement that he does not require the policy, the insurer shall forthwith refund any premium which has been paid in respect of the policy which shall thereupon be cancelled.
For the purposes of this section, where a policy is sent by post by an insurer to the person to whom it is issued, it shall, unless the contrary is proved, be deemed to have been delivered to him at the time at which it would reach him in the ordinary course of post.

For the purposes of this section, a policy shall be deemed to have been returned with an objection or statement, as the case may be, if the policy and objection or statement is posted for transmission to the insurer by registered post.

88. Paid up policies

(1) A policy holder who desires to discontinue further premium payments on a policy of life assurance on which not less than three years' premium have been paid in cash shall, on application to the insurer, be entitled to receive, in lieu of that policy, a paid-up policy for an amount not less than that determined in accordance with the rules.

(2) The paid up policy shall be payable upon the happening of the contingency upon the happening of which the amount assured under the original policy would have been payable.

89. Surrender of policies

(1) The owner of a policy of life assurance which has been in force for at least three years shall on application to the insurer, be entitled to surrender the policy and to receive not less than the surrender value of the policy less the amount of any debt owing to the insurer under, or secured by, the policy.

(2) In the application of subsection (1) to a paid-up policy which has been issued in lieu of another policy, the period of three years shall be calculated from the date of issue of the original policy.

(3) For the purposes of this section the surrender value of a policy shall be the amount calculated in accordance with the rules.

(4) The Commissioner may, on application by an insurer, if, in his opinion, the payment in cash of surrender values as required by this section would be prejudicial to the financial stability of the insurer or to the interests of the policy holders of that insurer, suspend or vary for such period and subject to such conditions as the Commissioner thinks fit, the obligation of the insurer to pay those surrender values.

90. Non-forfeiture of ordinary life Policies in certain cases of non-payment of premiums

(1) An ordinary life policy shall not be forfeited by reason only of the non-payment of any premium (in this section referred to as “the overdue premium”) if-
(a) not less than three years’ premiums have been paid in cash on the policy; and

(b) the surrender value of the policy (calculated as at the day immediately preceding that on which the overdue premium falls due) exceeds the sum of the amount of the debts owing to insurer under, or secured by, the policy, and the amount of the overdue premium.

(4) Without affecting the generality of subsection (1), an ordinary life policy on which not less than three years’ premiums have been paid in cash shall not be forfeited by reason only of the non-payment of a premium unless, on or after the day on which the premium fell due, the insurer liable under the policy serves a notice on the policy holder stating-

(a) the amount due or payable to the insurer at the date of the notice in respect of the policy; and

(b) that the policy will be forfeited at the expiration of twenty eight days after service of the notice if a sufficient sum is not paid to the insurer in the meantime.

(4) In the event of an industrial life assurance policy on which not less than three years’ premiums have been paid being forfeited by reason of non-payment of any premium, the insurer shall, without requiring any application from the policy holder, grant a paid-up policy for an amount not less than that calculated in accordance with the rules.

(5) The paid-up policy shall be payable upon the happening of the contingency upon which the amount insured under the original policy would have been payable.

92. Treatment of debts on grant of paid-up policies

Where in pursuance of any provision in this Part a policy holder is entitled to receive, or an insurer is required to grant, a paid-up policy and there is any debt owing to the insurer under or secured by the policy, the insurer may elect-

(a) To treat the debt so owing as a debt secured by the paid-up policy and thereupon the paid-up policy shall be a security for the debt so owing; or

(b) in the ascertainment of the amount of the paid-up policy, to reduce the amount by taking into account, upon a basis approved by the Commissioner, the debt so owing to the insurer, and thereupon the debt shall cease to be owing to the insurer.

93. Certain policies Exempted from Operation of Sections 88 to 92.

(1) The provisions of section 88 to 92 (inclusive) shall not apply to-

(a) an instrument securing the grant of an annuity for a term dependent upon human life, not being a deferred annuity during the period of deferment; or

(i) who is the husband, wife, father, mother, child, brother, sister, nephew or niece of the deceased person; or

(ii) who satisfies the insurer that he is entitled to the property of the deceased person under his will or under the law relating to the disposition of the property of the deceased person under his will or under the law relating to the disposition of the property of the deceased person or that he is entitled to obtain probate of the will of the deceased person or to take out letters of administration of his estate.

The insurer making any such payment shall be thereby discharged from all further liability in respect of the moneys payable under the policy or policies.

102. **Death of owner of policy not being life insured**

(1) Subject to this section, where the owner of a policy of life assurance, not being the person whose life is assured by the policy, predeceases the person whose life is so assured, and a person satisfies the insurer that issued the policy that he is entitled-

(a) under the will or on the intestacy of the deceased owner to the benefit of the policy; or

(b) to obtain probate of the will, or to take out letters of administration of the estate of the deceased owner;

the insurer may, without requiring the production of probate or letters of administration, endorse on the policy a declaration that that person has so satisfied the insurer and is the owner of the policy, and thereupon that person shall become, subject to subsection (2), the owner of the policy.

(2) Subsection (1) shall not confer on a person declared to be the owner of a policy any beneficial interest in the policy which he would not otherwise have had.

(3) This section shall not apply in relation to a policy referred to in subsection (1) whether the deceased owner died before, on, or after the appointed date.
(4) This section shall not apply in relation to

(a) a policy the surrender value of which, at the date of the death of the deceased owner exceeds or exceeded two thousand five hundred shillings; or

(b) a policy which is one of two or more policies owned by the deceased owner and issued by the same insurer if the aggregate of the surrender values of those policies at the date of the death of the deceased owner exceeds or exceeded two thousand five hundred shillings.

(5) For the purposes of subsection (4), the surrender value of a policy is the amount (including any amount in respect of bonus additions) that would be paid by the insurer issuing the policy upon its surrender.

103. **Insurer not bound to see to application of payments**

An insurer shall not in any circumstances be bound or concerned to see to the application of any money paid by the insurer in respect of any policy.

104. **Power to pay into court**

(1) An insurer may, subject to any rules of court in that behalf, pay into court any moneys payable by the insurer in respect of a policy for which, in the opinion of the insurer, no sufficient discharge can otherwise be obtained.

(2) The receipt of a registrar of the court for the moneys shall be a good and valid discharge to the insurer for moneys so paid in, and the moneys shall, subject to the rules of the court, be dealt with according to the order of the court.

105. **No deductions in respect of other policies**

Where a claim arising under a policy is paid, no deductions shall, except with the consent in writing of the claimant, be made on account of premiums or debts due to the insurer under any other policy.

106. **Lost policies**

(1) Where an insured person claims that the policy (in this section referred to as “the original policy”) is lost or has been destroyed, the insurer liable under the original policy may, subject to this section, upon application by that person and upon such evidence as to the loss or destruction of the original policy as the insurer deems sufficient, issue to the applicant as a special policy in substitution for the original policy.
A special policy shall -

(a) be a copy, as nearly as can be ascertained, of the original policy in substitution for which it has been issued;

(b) contain copies of every endorsement on the original policy registered by the insurer; and

(c) state the reason for the issue of the special policy.

Before issuing a special policy the insurer shall, if the amount insured, exclusive of bonus additions in the case of a policy of long term insurance, exceeds one hundred thousand shillings, give at least one month’s notice of his intention so to do in the Gazette and in at least one newspaper published and circulating in Kenya.

The expenses of advertisement and all other costs of the issue of special policy shall be paid by the applicant at the time of application.

The fact of the issue of a special policy and the reason for its issue shall be recorded by the insurer in the register of policies.

A special policy shall be valid and available for all purposes for which the original policy in substitution for which it has been issued would have been valid and available and, after the issue of the special policy, the original policy substitution for which it has been issued shall be void.

If the insurer fails to issue a special policy within six months of an application in writing from the insured person, the Commissioner may, upon application and upon such evidence as to the loss or destruction of the original policy as the Commissioner deems sufficient, order the insurer, upon such terms and within such time as the Commissioner thinks fit, to issue a special policy.

PART IX

ASSIGNMENTS, MORTGAGES AND NOMINATIONS

107. Assignments of policies

Subject to section 110, an assignment of a policy of life assurance made after the appointed date -

(a) shall be by memorandum of transfer and shall be –
(i) endorsed upon an annexure to the policy that is referred to in, or in an endorsement on, the policy; and

(ii) signed by the transfer or in the presence of a witness; and

shall not be recognized by or binding on the insurer until registered in accordance with this Section by the insurer liable under the policy.

(2) Every assignment shall be registered in a register to be provided by the insurer for that purpose, and the date of registration shall be inserted in the memorandum of transfer, which shall also be signed by the principal officer of the insurer or a person thereto authorized by him in writing.

(3) The transferee under a duly registered assignment shall have all the powers and be subject to all liabilities of the transferor under the policy, and may sue in his own name on the policy:

Provided that nothing in this section shall be construed to admit the transferee to membership of an insurer or to deprive the transferor of his membership in respect of a policy, except as provided in the instruments constituting the insurer or in his articles of association or other rules.

(4) the receipt of the transferee shall be a discharge to the insurer for all moneys paid by the insurer under the policy.

(5) Every memorandum of transfer shall, as between the insurer and any person claiming any moneys under the policy, be conclusive evidence for all purposes that the transferee was at the time of registration the absolute owner of the policy free from all trusts, rights, equities and interests (except liens or charges which the insurer has upon the policy), and legally entitled to receive and give a discharge for those moneys.

(6) Any discharge or surrender of or security over the policy given to the insurer by the transferee shall be valid and effectual, notwithstanding the existence of any trust, right, equity or interest of any other person.

(7) The insurer taking the discharge, surrender or security shall not be required or concerned to inquire or ascertain the circumstances in which or the consideration for which the transferee or any previous transferee became a transferee or, except as provided by section 108, be affected by express, implied or constructive notice of any trust, right, equity or interest.

(8) This section shall not-

(a) impose on a minor any liability to which he would not, but for this section, be subject;
(b) confer on a minor any power or capacity which, but for this section, he
would not have; or

(c) validate a receipt or discharge or a surrender of, or security over, a
policy given by a minor, if, but for this section, that receipt, discharge,
surrender or security would not be valid.

108. Effect of notice of trust.

(1) Notwithstanding anything contained in Section 107, an insurer shall not
be entitled to any protection under that Section or to rely upon any of
the provisions of that section if the insurer has not acted in good faith or
has received express notice in writing of any trust, right equity or
interest of any person.

(2) In case of the receipt of any such notice, the insurer may pay into the
court any moneys payable under the policy, and the receipt of a Registrar
of the Court for the moneys shall be a good and valid discharge to the
insurer for the moneys so paid in.

(3) The moneys shall be paid out to such person as the court orders.

109. Assignment of policy to insurer issuing it not to merge rights, etc
under policy

The rights and liabilities arising under a policy shall not be deemed,
either at law or in equity, to be merged or extinguished by reason only
of an assignment of the policy, whether at law or in equity, to the insurer
that issued the policy.

110. Policies held by trustees

Where an insurer is satisfied that-

(a) a policy has been issued or transferred to, or the ownership of a policy
is otherwise vested in, person as trustees; and

(b) those persons are no longer the trustees for purposes of the trust,

the insurer may, at the request in writing of the person claiming to be
the trustees for the time being for the purpose of the trust and on the
evidence of a statutory declaration by one of those persons verifying the
claim, record the names of those persons as the owners of the policy, and
thereupon those persons shall become the owners of the policy.

111. Nomination by policy holder.
The holder of a policy of life assurance on his own life may, when effecting the policy or at any time before the policy matures for payment, nominate the person or persons to whom the money secured by the policy in the event of his death:

Provided that, where the nominee is a minor, the policy holder may appoint, in the manner prescribed, any person to receive the money secured by the policy in the event of his death during the minority of the nominee.

Any nomination under subsection (1), in order to be effectual, shall either be incorporated in the text of the policy itself or be made by endorsement on the policy communicated to the insurer and registered by him in the records relating to the policy, and the nomination may at any time before the policy matures for payment be cancelled or changed by an endorsement or a further endorsement or a will, as the case may be, but unless notice in writing of any such cancellation or change has been delivered to the insurer, the insurer shall not be liable for any payment under the policy made bona fide by him to a nominee mentioned in the text of the policy or registered in the books of the insurer.

The insurer shall furnish to the policy holder a written acknowledgement of having registered a nomination or a cancellation or change thereof, and may charge the prescribed fee not exceeding ten shillings, for registering a nomination, or its cancellation or change.

A transfer or assignment of a policy made in accordance with this Act shall automatically cancel a nomination:

Provided that the assignment of a policy to the insurer who bears the risk on the policy at the time of assignment, in consideration of a loan granted by the insurer on the security of the policy within its surrender value, or its assignment on repayment of the loan, shall not cancel a nomination but shall affect the rights of the nominee only to the extent of the insurer's interest in the policy.

Where the policy matures for payment during the life-time of the person whose life is insured, or where the nominee dies, or if there are more nominees than one, all the nominees die before the policy matures for payment, the amount secured by the policy shall be payable to the policy holder or his heirs or legal representatives or the holder of a succession certificate, as the case may be.

Where the nominee survives, or if there are more nominees than one, one or more nominees survive the person whose life is insured, the amount secured by the policy shall be payable to the survivor or survivors, as the case may be.
The provisions of this Section shall not apply to policy to which Section 100 (1) applies.

**PART X**

**CLAIMS ON SMALL LIFE POLICIES**

112.

Claims on small life policies

(1) In the event of a dispute relating to the settlement of a claim on a policy of life assurance assuring a sum not exceeding one hundred thousand shillings (exclusive of any profit or bonus not being a guaranteed profit or bonus) issued by an insurer in respect of life assurance business transacted in Kenya, arising between a claimant under the policy and the insurer who issued the policy or has otherwise assumed liability in respect thereof, the dispute may at the option of the claimant be referred to the Commissioner for decision, and the Commissioner may, after giving an opportunity to the parties to be heard and after making such further enquiries as he may think fit, decide the matter.

(2) The decision of the Commissioner under this Section shall be final and shall not be called in question in any court, and may be executed by the court which would have been competent to decide the dispute if it had not been referred to the Commissioner as if it were a decree passed by that court.

(3) There shall be charged and collected in respect of an adjudication under this section such fees whether by way of percentage or otherwise as may be prescribed.

**PART XI**

**TRANSFERS AND AMALGAMATIONS**

113.

Application to amalgamate or transfer

(1) Subject to this Act, where-

(a) two or more insurers, at least one of whom is registered under this Act, intend to amalgamate, or

(b) an insurer intends to transfer insurance business of any class to another insurer and at least one of those insurers is registered under this Act,
both the insurers jointly in the former case, and the transferor in the latter case, shall apply to the Authority, for his approval of the amalgamation or transfer, as the case may be.

(2) An application to amalgamate or transfer insurance business be accompanied by

(a) the draft of the document under which the proposed amalgamation or transfer is to take effect;

(b) audited accounts and balance sheets of both insurers as on the date of the proposed amalgamation or transfer;

(c) the draft of the document including the terms of the agreement or deed under which the proposed transfer or amalgamation is to be carried out or take effect, as the case may be;

(d) actuarial reports and abstract in respect of long-term insurance business of both the insurers, such reports and abstracts of the transferor, prepared in conformity with the provisions of section 115, as read with the requirements prescribed in the regulations as at the date of the proposed amalgamation or transfer, as the case may be.

(3) Where the proposed amalgamation or transfer is in respect of long term insurance business, an application under this section shall, in addition to the documents mentioned in subsection (2), be accompanied by a report on the terms of the scheme and likely effects of the scheme on policy holders of the insurers concerned as a result of the proposed scheme of amalgamation or transfer, prepared by an actuary who has not been professionally connected with any of the insurers at any time during the five years immediately preceding the application and prepared as at the date of the proposed amalgamation or transfer, as the case may be.

(4) The audited accounts and balance sheets, reports and abstracts referred to in subsections (2) and (3) shall be prepared as at the date at which the amalgamation or transfer is intended to be effected, which date shall not be more than twelve months before the date of the application.

**Notice**

The Authority shall not determine an application under this part unless-
notice of the intention to apply for amalgamation or transfer, approved by the Authority for the purpose, has been published in the Gazette and in at least two newspapers published and circulating in Kenya;

except in so far as he has otherwise directed, a copy of the notice has been sent to every affected policy holder and every other person who claims an interest in a policy included in the amalgamation or transfer and has given written notice of his claim to one of the insurers involved in the amalgamation or to the transferor, as the case may be; and

copies of a statement setting out particulars of the amalgamation or transfer, including in the case of long term insurance business the report of the actuary, and approved by the Authority, have been available for inspection at one or more places in Kenya for a period of not less than thirty days beginning with the date of the first publication of the notice in accordance with paragraph (a).

The notice referred to in subsection (1) shall invite any person (including an employee, director, shareholder or policy holder) who has reasonable grounds for believing that he would be adversely affected by the carrying out of the scheme to write or make oral representations to the Authority within thirty days of the publication of the notice, stating the grounds on which he believes he would be adversely affected by the carrying out of the scheme of amalgamation or transfer.

**Conditions for approval in relation to long term insurance business**

The Authority shall not determine an application under this Part which involves or includes a transfer of long term insurance business, unless the scheme involves a transfer of assets relating to the long term insurance business proposed to be transferred in accordance with the provisions of this section.

If the transfer covers all the long term insurance business of the transferor, all the assets representing the statutory fund maintained by the transferor shall, subject to subsection (4), be transferred.

If the transfer applies to a part only of the long term insurance business of the transferor, the approved proportion of the assets representing the
statutory fund maintained by the transferor shall, subject to subsection (4), be transferred.

(4) For the purposes of subsections (2) and (3)-

(a) subject to paragraphs (b) and (c) of this subsection, assets of not less than the actuarial value of the liabilities on all the policies, after making adequate provision for maintenance of bonuses at current levels, and for the reasonable expectations of policy holders, liabilities being calculated on a proper basis, shall be transferred;

(b) where the total assets available in terms of subsection (2) or (3) are less in value than the figure arrived at under paragraph (a) of this subsection, the whole of the assets so available shall be transferred, and the Authority shall decide, after taking into account the relevant actuarial considerations, whether any other assets of the insurer shall also be transferred and whether any provision for reduction of contracts shall be made in the scheme of transfer;

(c) where the total assets available in terms of subsection (2) or (3) exceed the figure arrived at under paragraph (a) of this subsection, the assets transferred shall be of value equal to the figure arrived at under paragraph (a) plus the following proportions of the excess of the assets in terms of subsection (2) or (3) over the figure arrived at under paragraph (a) namely-

(i) if the excess is equal to or less than forty per cent of the figure arrived at under paragraph (a), ninety per cent of such excess; and

(ii) if the excess is more than forty per cent of the figure arrived at under paragraph (a), ninety per cent of the portion of the excess amounting to forty per cent of the figure arrived at under paragraph (a) plus fifty per cent of the balance of the excess;

except that where the transferor does not have a share capital, the entire excess of the assets in terms of subsection (2) or (3) over the figure arrived at under paragraph (a) shall be transferred in addition to the assets of value equal to the figure arrived at under paragraph (a).

(5) For the purposes of subsections (2) and (3), the total assets shall include all assets held by the insurer in Kenya which are applicable to, or were built out of, all the long term insurance business carried on in the past irrespective of whether they are shown against long term insurance business and irrespective of whether the business was carried on in the past solely in Kenya or elsewhere.

(6) In determining the “value of the assets” due provisions should be made for any possible tax liabilities arising on account of the value placed on the assets or on account of the transfer of the assets.
In this section –

“proper basis” means the minimum basis prescribed or the basis applicable in the case of a bonus reserve valuation, allowing provision for the maintenance of bonuses at current levels and for the reasonable expectation of policy-holders in that context, or the basis adopted at the latest preceding valuation, whichever brings out the highest figure of liability.

“approved proportion” means the proportion which is approved by the Authority as reasonable in the circumstances of the case.

116. Further conditions for approval

The Authority shall not approve an amalgamation or transfer on an application under section 113 unless he is satisfied that-

(a) every policy included in the amalgamation or transfer evidence a contract which-

(i) was entered into before the date of the application; and

(ii) imposes on the insurer obligations the performance of which will constitute the carrying on of insurance business in Kenya; and

(b) the amalgamated insurer or transferee, as the case may be, is, or immediately after the approval will be, authorized under this Act to carry on in Kenya insurance business of the appropriate class or classes, and unless in his opinion the amalgamated insurer’s or transferee’s financial resources and the other circumstances of the case justify the giving of his approval.

117. Approval or refusal

The Authority may, after considering the documents and reports deposited with him under this Part and the representations, if any, made under section 114 (2), subject to such terms and conditions as he considers necessary, approve the scheme of amalgamation or transfer.
(2) On determining an application made under subsection (1) the Authority shall-

(a) publish a notice of his decision in the Gazette and in such other manner as he thinks fit; and

(b) send a copy of that notice to the parties to the amalgamation or the transferor and the transferee and every person who made representations in accordance with the notice referred to in section 114, and if he refuses the application he shall inform the parties to the amalgamation or the transferor and the transferee in writing of the reasons for his refusal.

118. Effect of approval under section 117

(1) Subject to subsection (2), an instrument giving effect to an amalgamation or transfer approved by the Authority under section 117 shall be effectual in law

(a) to transfer to the amalgamated insurer or the transferee all the transferor’s rights and obligations under the policies included in the instruments; and

(b) if the instruments so provides, to secure the continuation by or against the amalgamated insurer or the transferee of any legal proceedings by or against either party to the amalgamation or against the transferor which relate to those rights or obligations, notwithstanding the absence of any agreement or consent which would otherwise be necessary for it to be effectual in law for those purposes.

(2) Except in so far as the Authority may otherwise direct, a policy holder whose policy is included in such an instrument shall not be bound by it unless he has been given written notice of its execution by either of the insurers involved in the amalgamation or transfer.

(3) Where an amalgamation or transfer has been approved, the amalgamated insurer or the transferee insurer shall within ten days from the date of completion of the amalgamation or transfer deposit with the Commissioner certified copies of-
(a) statements of his respective assets and liabilities; and
(b) the documents under which the amalgamation or transfer was effected.

PART XII

INSOLVENCY AND WINDING UP

119. Insurer defined for this part

In this Part “insurer” means an insurer carrying on insurance business in Kenya.

120. Voluntary Liquidation

Notwithstanding anything to the contrary in the Companies Act, an insurer carrying on long-term business shall not be wound up voluntarily.

121. Winding up by court

Where a petition for the winding-up of an insurer is presented by a person other than the Commissioner, a copy of the petition shall be served on the Commissioner and the Commissioner shall be entitled to be heard on the petition.

122. Insolvency

For the purpose of section 219 of the Companies Act, an insurer shall be deemed to be unable to pay his debts if at any time the requirements of section 41 (which relate to margins of solvency) are not observed by the insurer.

123. Petitions for winding up.

The Commissioner may, with the prior approval of the Board, unless the insurer is already being wound up by the court, present an application to the Court for winding up the insurer in accordance with the Companies Act under any of the following circumstances-

(a) in terms of section 19(5) or section 67(3) of this Act;
(b) in the case of an insurer carrying on long-term insurance business as a closed fund within a meaning of that term in section 21, on the grounds that the business has continued as a closed fund for a period of more than five years (excluding any period before the appointed date), that
the insurer has failed to implement a scheme approved or framed by the Commissioner under section 10, and that the continuance of the insurer without winding up is detrimental to the interests of the policy holders;

(c) on the ground that the insurer is unable to pay his debts within the meaning of section 219 of the Companies Act;

(d) on the ground that the insurer, having failed to comply with any requirement of this Act, has continued that failure, or having contravened any provision of this Act, has continued that contravention for a period of six months after notice of failure or contravention has been given to the insurer by the Commissioner;

(e) on the ground that the insurer is unable to fulfill the reasonable expectations of policy holders or potential policy holders;

(f) on the ground that it is just and equitable in the interests of the policy holders that the insurer should be wound up.

(g) on the ground that the insurer has failed to pay tax that is due and outstanding.

(2) The court may, after considering the petition presented by the Commissioner, order the winding-up of the insurer if it is of the opinion that there are sufficient grounds and it is just and equitable for the insurer to be wound up.

124. Secondary companies

(1) Where the insurance business or any part of the insurance business of an insurer has been transferred to an insurer to which the Act applies under an arrangement in pursuance of which the first-mentioned insurer (in this section called the secondary company) or the creditors thereof has or have claims against the insurer to which the transfer was made (in this section called “the principal company”) then, if the principal company is being wound up by or under the supervision of the court, the court shall, subject to the provisions of this section, order the secondary company to be wound up in conjunction with the principal company and may by the same or any subsequent order appoint the same person to be liquidator for the two insurers and make provision for such other matters as may seem to the court necessary, with a view to the insurers being wound up as if they were one insurer.

(2) The commencement of the winding up of the principal company shall, except as otherwise ordered by the court, be the commencement of the winding up of the secondary company.
In adjusting the rights and liabilities of the members of the several insurers between themselves, the court shall have regard to the constitution of the insurers, and to the arrangements entered into between the insurers in the same manner as the court has regard to the rights and liabilities of different classes of contributories in the case of the winding up of a single insurer or as near thereto as circumstances admit.

Where an insurer alleged to be the secondary company is not in process of being wound up at the same time as the principal company to which the insurer is secondary, the court shall not direct the secondary company to be wound up unless, after hearing any objections that may be urged by or on behalf of the insurer against being wound up, the court is of the opinion that the insurer is secondary to the principal company and that the winding up of the insurer in conjunction with the principal company is just and equitable.

An application may be made in relation to the winding up of a secondary company in conjunction with a principal company by any creditor of, or person interested in, the principal or secondary company.

Where an insurer stands in the relation of a principal company to one insurer, and in relation of a secondary company to another insurer, or where there are several insurers standing in the relation of secondary companies to one principal company, the court may deal with any number of such companies together or in separate groups, as it thinks most expedient, upon the principles laid down in this section.

**Insurers being subsidiaries of non-insurers**

Where an insurer is a subsidiary of a company which is not an insurer, and the latter company is wound under the Companies Act or otherwise-

(a) the subsidiary shall not be wound up except on the basis of a separate application for winding up; and

(b) where the subsidiary carries on long term insurance business, whether with or without other classes of insurance business, and is ordered to be wound up, all the admitted assets of the statutory funds together with any other assets of the subsidiary which have been included in a separate balance sheet relating to the long term insurance business, and together also with any assets which, though not shown against the statutory funds or in that balance sheet, should in the opinion of the court be equitably related to the long term policy holders, shall be treated as exclusively reserved for the benefit of the policy holders of the long term insurance business, and those assets shall not be utilized directly or indirectly for any purpose other than for the benefit of the long term insurance policy holders as long as those policy holders have not been fully discharged or otherwise provided for.
126. **Supplementary provisions as to winding up.**

(1) In any proceedings upon a petition to wind up an insurer presented by the Commissioner under section 123 (1), evidence that the insurer was insolvent at the close of the period to which the accounts and balance sheet of the insurer last deposited under section 61 relate, or at any date as at which an investigation was last made under section 57 or 58, shall be evidence that the insurer continues to be unable to pay his debts, unless the contrary is proved.

(2) Rules made under section 344 of the Companies Act may regulate the procedure and the practice to be followed in proceedings with respect to the winding up of insurers under this Act.

127. **Valuation of assets and liabilities**

(1) Subject to any direction which may be given by the court-

(a) the value of the assets and liabilities shall be ascertained in such manner and upon such basis as the liquidator thinks fit;

(b) the liabilities of an insurer in respect of the current policies of long term insurance business shall, as far as practicable, be calculated by the method and upon the basis to be determined by an actuary appointed by the court;

(c) the liabilities of an insurer in respect of the current policies of general insurance business shall, as far as practicable, be such portion of the last premium paid as is proportionate to the unexpired portion of the policy in respect of which the premium was paid.

(2) The actuary appointed under subsection (1) shall, in the determination of liabilities, take into account any special directions which may be given to him by the court.

128. **Continuation of business of insurer in liquidation**

(1) The liquidator shall, so far as it may be possible and unless the court otherwise orders, carry on the insurance business of an insurer with a view to it being transferred as a going concern to another insurer, whether an existing company or a company formed for the purpose; and, in carrying on that business, the liquidator may agree to the variation of any contracts of insurance in existence when the winding up order is made but shall not effect any new contracts of insurance.

(2) If the liquidator is satisfied that the interests of the creditors in respect of liabilities of the insurer attributable to his business require the appointment of a special manager of the business, he may apply to the court, and the court may on the application appoint a special manager of
that business to act during such time as the court may direct, with such powers, including any of the powers of a receiver or manager, as may be entrusted to him by the court.

(3) The court may require the special manager to give such security as it considers necessary.

(4) The court may make such order as it considers appropriate with regard to the payment of remuneration to the special manager.

(5) The court may, subject to such conditions (if any) as it may determine, reduce the amount of the contracts made by an insurer in the course of carrying on his business as an alternative to winding up or otherwise.

PART XIII

129 to 144 inclusive. (Repealed by No.7 of 1997, s.15.)

PART XIV

MANDATORY REINSURANCE CESSIONS

145. Certain business to be ceded to Kenya Reinsurance Corporation

(1) Subject to this Act, every insurer shall reinsure with the Kenya Reinsurance Corporation Limited such proportion of each policy of insurance issued or renewed in Kenya by the insurer, in such proportion and in such manner and subject to such terms and conditions as are prescribed.

(2) Subject to this Act, every insurer shall also place with the Company, in addition to the reinsurance specified under subsection (1), such proportion of its reinsurance business from Kenya placed in the international reinsurance market, excluding facultative reinsurance, in such proportion and in such manner and subject to such terms and conditions as are prescribed.

Power to decline business
The Company may refuse to accept any reinsurance offered pursuant to this Part, and in that case the Company shall furnish the insurer concerned, if so requested, the reasons for its refusal.

An insurer may, within fourteen days after receiving reasons for refusal under this section, appeal to the Tribunal against the refusal, and thereupon the Tribunal may confirm the refusal or may direct the Company to accept the reinsurance concerned, and any decision of the Tribunal on an appeal shall be final and conclusive.

Where reinsurance is refused under this section any liability of the insurer under this Part in respect of that reinsurance shall cease.

**147. Payment**

Payment by the insurers to the Company in respect of reinsurance effected under this Part shall be made within such period as the Minister may, by notice in the Gazette, prescribe.

**148. Returns and information**

An insurer required to effect reinsurance under this Part shall produce or submit to the Company all returns, statements, books, records, accounts, or other documents, or true copies thereof, and shall furnish any information, which may be required by the Company for the purpose of this Part.

**149. Offences and penalty**

An insurer who-

(a) fails to effect reinsurance or make any payments as, and in such manner as, is required or under this Part;

(b) fails to comply with a requirement of the Company under section 148 within a reasonable time after the making thereof; or

(c) furnishes information which is false in whole or in part, or produces or submits as true and correct any document or copy thereof which is not true and correct, in purported compliance with any such requirement, shall be guilty of an offence and liable to a fine.

**PART XV**

150. Only registered brokers, agents, risk managers, loss adjusters, motor assessors, insurance investigators, surveyors and claims settling agents to carry on business

(1) No person shall, after the expiry of three months from the appointed date, commence, transact or carry on in Kenya the business of a broker, agent, risk manager, motor assessor, insurance investigator, loss adjuster, insurance surveyor, medical insurance provider, or claims settling agent unless he is registered under this Act.

(2) No person shall, after the expiry of three months from the appointed date, use the name of a broker, agent, risk manager, motor assessor, insurance investigator, loss adjuster, insurance surveyor, medical insurance provider or claims settling agent in a manner to give the impression that he is registered to commence, transact or carry on any such business, unless he is so registered.

Risks in respect of policies issued on the basis of adjustable premium such as workmen's compensation, cash in transit, and others, may be assumed on receipt of provisional premiums based on a fair estimate.

(d) Annual insurances connected with aircraft hulls and marine hulls-

Facilities for delayed payment of premium on such policies, or the payment of premiums by means of instalment not exceeding four in number and on the basis of an approved clause, may be allowed at the discretion of the insurer, provided that such clause is endorsed on the policy.

(e) Short period covers in respect of insurance connected with aircraft hulls and marine hulls-

Short period covers may be granted on such risks on a held covered basis, subject to the condition that the premium or additional premium in respect of risks assumed in a calendar month shall be paid by the end of the next calendar month.

(f) Policies issued for long term-
In the case of policies issued for long term such as contract performance bonds or guarantees, contractors’ all risk policies, machinery erection policies and the like, the premium may be staggered as necessary according to custom, over the period of the cover, provided that the first installment is higher than any other installment by at least five per centum of the total premiums payable and each installment is paid in advance, but where the premium is payable by declaration, it may be paid within fifteen days from the effective date of such declaration.

**Schedule and consequential Loss Policies**

In such cases a provisional amount towards the premium shall be collected before the date of inception or renewal of risk on the basis of the previous year’s premium.

**Marine covers other than hulls**

(ii) In the case of exports overseas, risk may be assumed subject to the condition that the premium shall be paid within fifteen days from the date of sailing of the overseas vessel.

(iii) In the case of imports, risk may be assumed subject to the condition that the premium shall be paid within fifteen days of the receipt of declaration in Kenya from the insurer’s or insured’s representative overseas:

Provided that the relaxations under subparagraphs (ii) and (iii) shall apply to marine cover notes only and not to marine policies.

**Policies relating to co-insurances**

The premiums shall be deemed to have been duly paid if paid on the full insurance to any one of the co-insurers.

FOURTH SCHEDULE

(s. 57(1) (b) and r. 12)

PART A- PROVISIONS RELATING TO THE PREPARATION OF ABSTRACTS OF ACTUARY’S REPORTS

SECTION I
1. Abstracts and statements shall be so arranged that the numbers and letters of the paragraph correspond with those of the provisions of section II of this Schedule.

2. (ii) It must be stated in what manner the sums invested in reversions and the income and profits derived from those reversions have been treated in circulating the average rate of interest.

5. Every abstract prepared in accordance with the requirements of Part II shall be signed by an actuary and shall contain a certificate by him to the effect that he has satisfied himself as to the accuracy of the valuation made for the purpose thereof and of the valuation data:—

SIXTH SCHEDULE

REGULATIONS RELATING TO ACTUARIAL VALUATION OF LIABILITIES

1. The basis of valuation adopted shall be such as to place a proper value upon the liabilities, having regard to the mortality experience among the persons whose lives have been insured by the insurer, to the average rate of interest from investments and to the expenses of management (including commission) and shall be such as to ensure that no policy shall be treated as an asset.

2. The value placed upon the aggregate liabilities of a statutory fund in respect of policies by reason of the adoption of any basis of valuation shall not be less than it would have been if it had been calculated on the minimum basis in accordance with the provisions of the Seventh Schedule.

3. The actuary who makes the valuation shall certify whether, in his opinion, the value placed upon
the aggregate liabilities of a statutory fund in respect of policies by the valuation is not less than the value which would have been placed upon those aggregate liabilities if it has been calculated on the minimum basis in accordance with the provisions of the Seventh Schedule.

4. Where the balance sheet of the insurer includes amongst the assets of the long-term insurance business to which a statutory fund relates to any sum representing expenses of organization or extension, or the purchase of business or goodwill or other intangible assets, and the amount of the other assets of that business (after deducting debts due by the insurer in respect of that business) is less than the balance of the revenue accounts, as the case may be, as shown in the balance sheet in respect of that business) is less than the balance of the revenue accounts, as the case may be, as shown in the balance sheet in respect of that business) is less than the balance of the revenue accounts, as the case may be, as shown in the balance sheet in respect of that business –

(a) where the statutory fund relates to one class of one-term insurance business only, the balance of revenue account shall be shown in the appropriate valuation balance sheet as reduced by the amount of the deficiency; and

(b) where the statutory fund relates to more than one class of long term insurance business, the balances of the revenue accounts in respect of each class of long-term insurance business shall each be shown in the appropriate valuation balance sheet as reduced by a portion of the amount of the deficiency, being a portion ascertained by apportioning the amount of the deficiency, being a portion ascertained by apportioning of the deficiency between those revenue accounts so that the amount to be apportioned to each account bears to the amount to be apportioned the same proportion as the balance of that account bears to the sum of the balances of those accounts.

2. In respect of any policy for the whole term of life (where the premiums are payable throughout life), the paid-up sum assured, exclusive of bonus additions, shall be a sum bearing the same proportion to the value of the policy as the sum of one shilling bears to the present value (at the attained age of the person whose life is insured) of the reversion in the sum of one shilling according to the contingency upon which the sum insured under the original police was payable.

3. If it is the practice of an insurer to permit paid up policies to participate in profits and if the insurer’s actuary is of the opinion that the paid-up value arrived at by the application of rule 1 or 2 of this Schedule should be reduced suitably, it may be so done with the approval of the Commissioner of Insurance.

4. (1) For the purpose of rule 2, the value of the policy shall be the difference between the present values (at the attained age of the person whose life is insured) of –

(b) the future net premiums

(2) “Net premium” as used in sub rule (1)(b) means such premium, exclusive of any addition for bonuses, office expenses and other charges, as is sufficient (according to the rate of interest and rates of mortality assumed and on the assumption that the age of the person whose life is insured is
the age at his birthday next following the date one year after the date of the issue of the policy) to provide for the risk incurred by the insurer in issuing the policy.

5. (1) For the purpose of this scheme, the calculations shall be made as at the day immediately preceding that on which the first premium which has not been paid falls, or fell due.

(2) For the purposes of this rule, any premium which has not been paid in cash and which is deemed to be a debt owing to the insurer shall be deemed to have been paid.

6. For the purposes of rules 2 and 4

(a) interest shall be assumed at the rate of 3½ per centum per annum;

(b) the rates of mortality shall be assumed, in the case of an ordinary life policy, according to the ultimate table of morality included in the tables published for the Institute of Actuaries in England and Faculty of Actuaries in Scotland under the title “A” 1949-52 Tables” for Assured Lives” and, in the case of a policy of industrial life assurance, according to the ultimate table of mortality included in the tables published for the Institute of Actuaries in England and the Faculty of Actuaries in England and the Faculty of Actuaries in Scotland under the short title “A 1924-29 Table.”

7. There shall be added to the amount (exclusive of bonus additions) of any paid up policy calculated in accordance with rule 1 or rule 2, the amount of all reversionary bonuses declared upon (and still attaching to) the original policy.

RULES FOR ASCERTAINING THE SURRENDER VALUE OF A POLICY

1. The surrender value of a policy at any date shall be the present value (according to the contingency upon which the policy is payable) of the amount of the paid-up policy which would be granted as at that date, determined according to the rules prescribed in Twelfth Schedule or the amount payable at death if death to occur at the date as at which the surrender value is calculated, whichever is the less.

2. For the purposes of determining the present value of the amount of paid-up policy under rule 1 –

(a) interest shall be assumed at the rate of 6½ per centum per annum for contracts registered in terms of Income Tax Act and 5 per centum per annum for all other contracts;
(b) the rate of mortality shall be assumed, in the case of an ordinary life policy, according to the ultimate table of mortality included in the table published for the Institute of Actuaries in England and Faculty of Actuaries in Scotland under the title “A 1949-52 Tables for Assured Lives” and in the case of a policy of industrial assurance, according to the ultimate table of mortality included in the tables published for the Institute of Actuaries in England and Faculty of Actuaries in Scotland under the short title “A” 1924-29 Table”:- and

(c) in the case of a policy issued for a term other than a whole term of life, the remaining term at the date as at which the surrender value of the policy is calculated shall be obtained by deducting from the original term of the policy the duration of the policy in completed years and months at that date.
